1. Application of restricted materials for commodity fumigation requires a Notice of Intent (NOI) at least 24 hours in advance. For Sunday or Monday applications, submit by Noon on Friday prior. A monthly NOI could be submitted, if the fumigation takes place at the designated facility.
2. A Notice of Intent shall include the following:
 - a. Permit Number
 - b. Operator Name
 - c. Location of Areas to be treated (Site Identification Number)
 - d. Commodity Treated
 - e. Approximate Units Treated
 - f. Pesticide(s) Label Name
 - g. Rate of Application
 - h. Pest(s) to be controlled
 - i. Start Date of Intended Application
3. Use of Methyl Bromide and Sulfuryl Fluoride requires a valid work-site plan and the site has to be evaluated each year prior to renewal of the permit.
4. The Certified Applicator must be physically present on site during introduction of fumigant and aeration commencement.
5. If the fumigated product is stored within an enclosed area, continuous monitoring for the presence of fumigant is required when people are present.
6. Notice of Intent for restricted materials for non-agricultural use other than commodity fumigation are required to be submitted 24 hours prior to each application and should be site specific.

NOTICE: FAILURE TO COMPLY WITH THESE CONDITIONS AND OTHER PERTINENT LAWS AND REGULATIONS MAY RESULT IN REVOCATION OF YOUR PERMIT AND THE POSSIBILITY OF FURTHER ADMINISTRATIVE ACTION BY THIS DEPARTMENT.
