

**INDUSTRIAL HEMP GROWER/BREEDER/ESTABLISHED AGRICULTURAL RESEARCH INSTITUTION
LICENSE APPLICATION**

A. Applicant information as it appears on the CDFA Industrial Hemp Registration Application

Applicant Name (Last, First, Middle Initial or entity name):		
Mailing Address:		
City:	State:	Zip:
Primary Contact Name:		<input type="checkbox"/> Same as applicant
Phone Number:	Email (optional):	

B. Indicate Compliance with Stanislaus County Code 6.85

- YES NO A complete industrial hemp registration application has been submitted to the Stanislaus County Agricultural Commissioner.
- YES NO Each cultivation site parcel is a minimum of ten acres in size, located in the A-2 (General Agricultural) zoning district, but outside of a Local Agency Formation Commission (LAFCO) Sphere of Influence (SOI) or Urban Transition (UT) General Plan designation of a city.
- YES NO Outdoor cultivation does not exceed a cumulative total of forty (40) acres of land. Total acreage of all hemp plantings on registration:

Indoor:

Outdoor:

- YES NO Applicant is the fee owner or can provide written consent from the fee owner granting permission for the cultivation of industrial hemp on the specified parcel(s).
 - Consent documentation attached (if applicable)

YES NO The outer edges of the planned hemp crop, measured from the base of the hemp plants, is:

- i. A minimum of fifty feet from any and all property lines of any adjoining parcel under different ownership.
- ii. A minimum of one hundred-feet from the edge of pavement for any and all county-maintained roads.
- iii. A minimum of two hundred feet from any and all legal dwellings located on a parcel under different ownership. The nearest point of the dwellings utilized for interior living space shall be the point of measurement to determine the dwelling setback requirement.
- iv. Not within one thousand feet of the boundary of a school, as defined in the ordinance.

The application shall be accompanied by a legible and detailed map indicating parcel boundaries, ownership of dwellings within setbacks, adjoining parcel ownership information, and all applicable measured setback distances for all proposed or existing hemp cultivation sites.

YES NO A bond has been obtained for the minimum applicable bond value of \$_____.

A completed copy of the Stanislaus County Industrial Hemp License Bond Form is attached.

NOTE: Other forms of security may be acceptable to the Agricultural Commissioner, however, their approval may result in a delay in processing the license application.

I agree to destroy any non-compliant industrial hemp in the timeframe set forth by California regulations or the agricultural commissioner. I declare under penalty of perjury that the information provided in this application is true and correct.
